Dear Doug:

We would like to take this opportunity to thank you for seeking the UAW CAP Council endorsement and participating in our screening process.

We also want to inform you that the UAW has voted to endorse you.

Please feel free to use this endorsement to further your election efforts. The UAW endorsement allows you to attend any and all UAW member meetings upon approval of the meeting's officers. The UAW also has an extensive member communication program that will be used to inform our members of your endorsement and urge them to vote for you at election time.

Again, thank you for your candidacy and please feel free to contact us at any time for assistance.

Sincerely,

Michael Green, President
Capital Area CAP Council

Dean Poggiali, Recording Secretary
Capital Area CAP Council
